

Weekly News

Week of 2/11-2/15

Mrs. Wooden's Thoughts

- I hope to see a lot of you at the Carnival at Armstrong School tonight! I will be working the games from 5:00-6:00. The PT Club is going to have a bunch of fun activities to help raise money for our schools. Come join the fun from 5:00-7:00!
- Keep filling out the Reading Calendars! This calendar is for the month of January + February. Please make sure your student is reading for 15-20 minutes every day.
- Book orders are due Monday!
- We will be exchanging valentines on February 14th. If your student wants to participate, please make sure he/she brings a valentine for everyone in the class. It is district policy that no outside food and treats are brought into school so please attach pencils, erasers, etc. to the valentines. We will be having a Valentine Box Decorating Contest, too!
- We are moving right along in our Engineering in the Classroom in Science! Our theme is MUSIC and students are building machines to make sounds. No other donations are needed. Our competition date is February 23rd...time is TBA and location at ICC...mark your calendars!!!
- ***Students are running out of paper and pencils!! Please get some this weekend or this week and send to school with your students. Thank you! My extra supply is almost gone. Some students also still need earbuds or headphones for when we work on our chromebooks.***

Student-of-the-Month + Character Counts

- Congratulations to Ella for being chosen as our Student-of-the-Month! Kaiden received the fifth grade character counts award for "Mindfulness"! They are both all-around great students who are kind to everyone. I am proud of these two amazing students!

- 2/18 – President’s Day – No School
- 2/20 – 3rd Quarter Midterms

Upcoming Tests

- Monday- Words Their Way Tests

Classroom Feature

Super Improver Wall

Students are working their way up our Super Improver Board! Students earn stickers for their positive behaviors and when they get ten tickets they move up to the next level. When they pass a level they get prizes such as pencils, erasers, special privilege passes, homework passes, etc. The students’ goals are to reach the Hall of Fame and get their picture added to my Hall of Fame Wall for many years to come. It’s a hard level to reach...but if students behave in class, treat others with kindness, do their homework every night, and put in great effort, they can achieve our top level. I usually have two or three students reach it.

Our levels are:

Rookie

Starter

Phenom

Star

Leader

Captain

Super Star

M.V.P.

Living Legend

Hall of Fame

Congratulations to Bryce, Eve, and Alexis for being at the M.V.P. level! Way to go!
