Week of 9/24-9/28

Mrs. Wooden's Thoughts

- Congratulations to the following students for moving up a level on our Super Improver Wall: Francia, Bradley, Hayden, Breanna, Malachi, Hudson, and Bryce!!!

- Bolin School is has a school store!. It will be open on Tuesday and Thursday mornings at 8:30 when students arrive. Students will have the opportunity to purchase functional items that can be used in the classroom such as Smencils and assorted erasers. These items are not something that students have to purchase, but they may do so with your permission. Items will range from 50 cents to a dollar. Money that is earned at the school store will be used to sustain the store itself as well as put towards incentives at Bolin School. Thank you for your support.
- The end of the midterm was today. Some students have a few assignments out. I am sending home missing assignment sheets and all work needs to be completed by Monday. Thank you for your help with this.

- Don't forget to check out our class website. It's full of helpful info for you!
www.woodenbraves.weebly.com
- Send back Parent/Teacher Conference forms ASAP. Thank you!

Class Birthdays for August/September

Happy birthday to Savona! I forgot her birthday on our list last week...so sorry!

Classroom Superstar

Congratulations to our next Classroom Superstar, Mia! Mia is a role model to others by treating people with respect and helping others around her. She always tries her best on her work and puts in her best effort. She's got a great sense of style, too! Proud of her!

- 10/5 – Teacher's Institute – all day
- 10/8 – Columbus Day – No School

Upcoming Tests

- Monday- "Words Their Way" List Tests
- Friday- Reading Test

Classroom Feature

Mastery Club

This week we are going to start our Mastery Club during our free time. When students complete their work, one of their options is to do activities from our Mastery Club lists. Students love Mastery Club because it allows them be in charge of what and when they want to learn. Students decide which of the 86 challenges in the areas of social studies, science, language arts, math and miscellaneous topics they would like to learn about.

Students will research the topics using our set of five classroom chromebooks. Once a student completes ten tasks, they get a prize and a Super Improver Star! This is just a fun way for students to learn random facts about many different topics...can't wait to learn along with them!
